- 1) Disallow unnamed (autonamed) migrations?
- 2) Reduce duplication in jinja2 templates
- 3) Info unit images should fall back more gracefully
- 4) Document snyk usage
- 5) Snippet List: Tags is required, but not designated as so with an asterisk
- 6) In Contact > Phone, is_fax should apply to EACH number not ALL numbers.
- 7) Analytics.init() called before associated test
- 8) On-demand header: make mega menu's search and submit a complaint components optional
